

### Implant Disposal Agreement

This Agreement is made between SafetyFix Medical Technologies, Inc. ("Supplier") and \_\_\_\_\_ ("Facility")

on this \_\_\_\_\_ day of \_\_\_\_\_ (Month), 20\_\_\_\_.

By entering into this agreement, Facility acknowledges that it understands and agrees to strictly adhere to the following:

All SafetyFix EasyOut surgical implants are for **SINGLE USE ONLY**. Under no circumstances are EasyOut surgical implants to be reused, reprocessed, and/or resterilized.

Reuse, reprocessing, and/or sterilization may compromise the structural integrity of the device and/or lead to device failure, which, in turn, may result in patient injury, illness, and/or death.

Reuse, reprocessing, and/or resterilization may also create a risk of contamination of the device and/or cause patient infection or cross-infection, including but not limited to the transmission of infectious disease(s) from one patient to another. Contamination of the device may lead to injury, illness, and/or death of the patient.

After use, Facility agrees to dispose of EasyOut product and packaging in accordance with applicable law, rules and regulations governing the disposal of biologic waste.

#### Disposal of SafetyFix EasyOut Hardware

1. By signing below, Facility agrees that all explanted EasyOut hardware (removed from the human body) must and will be treated as biologic waste and immediately disposed of in proper containers within one (1) hour of the operative procedure.
2. Facility further agrees to indemnify and save SafetyFix harmless from any violation of this Agreement by Facility or any of its affiliated podiatric/medical providers.
